Activities

Opening Ceremony

Welcome to the 2008 National Reunion with your host, Riley Spiller.

Meet Your Team

You'll be assigned to one of the four teams at the Nat'l Reunion, and the "Meet Your Team" session is a great way to begin to get to know your fellow attendees in a fun atmosphere!

Free Time

Head out to the recreation areas for volleyball, Frisbee, or basketball; play cards; pick up some instruments and gather some folks for a jam session; snag a little time with your Bible; explore the hiking trails and river banks, or just stay in the shaded pavilions and strike up a good conversation.

Bonfire

Thursday evening's main event is a bonfire, with a s'more-making contest and campfire songs. Feel free to come and go or just hang out and visit with friends after dinner.

Check in to the dorms

There are lounges to hang out in each of the guys and gals dorms, so take time to meet the folks in your dorm before you call it a night—but don't forget to get some rest. Tomorrow's going to be a big day!

ALUMNI Nat'l Reunion...especially since John Notgrass and Laura Plett are hosting a dance instruction class to ensure that you'll be ready to dance!
